

OT appoints Muzaffar Khokhar as Regional President for Russia, Middle-East and Africa

POSTED ON 05.30.16

OT (Oberthur Technologies), a leading global provider of embedded security software products and services, today announced the appointment of Muzaffar Khokhar as RMEA Regional President in addition to his current role as Business Director of the Financial Services Institutions business in the RMEA region.

Based in OT's regional headquarters in Dubai since 2010, Muzaffar has been leading the Financial Services Institutions Business unit of OT in the region since 2013 and led the expansion of OT's footprint in the region. Prior to that, he managed different roles within the Telecom business unit for Oberthur Technologies in RMEA and subsequently became Deputy Managing Director for the region.

I am pleased to announce the appointment of Muzaffar Khokhar as Regional President for Russia, Middle-East and Africa Region. Muzaffar brings extensive experience to the role, having held various leadership positions within the territory over the past 20 years. The RMEA region is diverse and dynamic, it represents an important share of the Group's worldwide footprint and holds substantial growth potential for the company.
