**IdentoGO®** by MorphoTrust USA has launched the first nationwide **TSA PreCheck® enrollment bus tour** to promote the conveniences of the popular program and to bring **enrollment services** directly to the American public.

To make this enrollment tour possible, **IdentoGO** installed a fully functional **TSA PreCheck® enrollment center** in a high profile, custom RV. This **mobile enrollment** center will allow more travelers to enroll in the popular **TSA PreCheck® program**, joining the almost 4 million already in the program.

Since its debut, the **IdentoGO** RV has made appearances at concert events and festivals, as well as university and corporate campuses.

*TSA PreCheck® simplifies travel for the millions of Americans who are currently enrolled in the program, but so many people simply don't know how easy it is to enroll. With these custom IdentoGO RVs, we are not only publicizing the value of participation, but making it even more convenient by bringing the enrollment center directly to them. The enrollment process in the RV is exactly the same as what you would experience at one of our centers.*

*Charles Carroll, senior vice president of identity services at MorphoTrust USA*

**TSA PreCheck®** is a risk-based security program that provides a more convenient and faster way to travel. Once issued a **Known Traveler Number**, **TSA PreCheck®** enrollees are no longer required to remove shoes, belts or light jackets, and laptops and liquids can stay in carry-ons bags during **airport security screening**. In order to enroll, customers need a government issued I.D. such as driver's license and proof of U.S. Citizenship like a birth certificate or passport. Enrollment costs \$85 and travelers enjoy the benefits of **TSA PreCheck®** for five years.

The RV is the first of two **IdentoGO** mobile centers that will be launching in the coming weeks. The enrollment RV most recently was parked at the National Gallery of Art in Washington, D.C., in mid-November.

Businesses, universities and event organizers who wish to offer **TSA PreCheck® enrollment services** via the RV to their employees, students and patrons can contact Karen Zerbe at [kzerbe@morphotrust.com](mailto:kzerbe@morphotrust.com) or via phone at 615-372-8068.
